On-line Book Store DMWBooks.com Seeks New Authors

Merrillville, IN – Monday, July 22, 2013 DMWBooks.com features new writers via eBooks. Experience the convenience of reading fictional tales of suspense, poetry and philosophical opinions by the newest up and coming authors on your lap top or any device that will read Adobe Acrobat documents (PDF) files, Kindle or Nook books. No more massive paper backs or hard back books that won't fit into your bag!

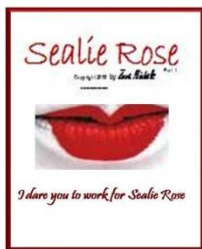

The on-line book store - DMWBooks.com has successfully promoted its books, and entertainment all over the world to audiences 18-54. Writer/Publisher Darlene M. Washington comments, "It's been wonderful knowing that people in India, Africa or wherever there's a computer with internet can bring up this website and view writings of their choice." DMWBooks.com is also seeking new authors with audio or video recorded books, poetry, documentaries, as well as ebooks. The following eBooks are available for purchase at DMWBooks.com. There are also free books on the website. If you own a computer or an electronic reading device, you should own these eBooks!
